

Alexandria Gazette.

WEDNESDAY EVENING AUG. 25, 1909.

Local Matters.

Sun and Tide Table.

Sun rises tomorrow at 5:23 and sets at 6:42. High water at 2:59 a. m. and 3:37 p. m.

Weather Probabilities.

For this section fair tonight and Thursday; continued warm; light southwest and west winds.

AWAITING OWNERS.

Mr. Benjamin B. Baggitt is still awaiting the appearance of the parents of the youths he captured in his orchard last Sunday. The neckties, hats, shoes, etc., have, so far, not been claimed. The owners are supposed to be Washingtonians. There were some laughable scenes in connection with Mr. Baggitt's dramatic procedure. One youth said he was an orphan, and was told he would be shot on general principles, as there was no one to worry over him. The boy believed that such would be his fate, and was greatly relieved when he was liberated. After the youngsters had been despoiled they were told that the four buildings which are kept on the place were to be liberated, and visions of combat in the Colosseum in Rome coursed through the brains of the juveniles. Should they again visit Alexandria they will give the orchard a wide berth.

THE GOOD ROADS MOVEMENT.

The citizens of Fairfax, Prince William, and Loudoun counties will hold a good-roads meeting at Pender, a few miles from Fairfax Courthouse, on September 16. It is expected that Gov. Swanson, of Virginia; Representative Charles O. Carlin, of Loudoun; Charles T. Lassiter, president of the Virginia Good Roads Association; E. Pennybacker, chief of the public roads division of the Department of Agriculture and others will speak at this meeting which will be held at 10 o'clock in the morning. In addition to the good roads assemblage, there will be an educational and agricultural meeting. W. J. Spillman, of the plant industry division, Agricultural Department, will make an address on "Agricultural Interests and Farm Management."

YESTERDAY'S EXCURSION.

As had been anticipated, the excursion given to Marshall Hall yesterday by the members of the police department of this city was a decided success. The weather was ideal and the steamer Charles Macalester was crowded on each trip. It was virtually an Alexandria affair, comparatively few persons outside the city mingling with the excursionists. The largest crowd of the day boarded the steamer shortly after 7 o'clock in the evening. The steamer made two trips from Marshall Hall to this city after that hour—one about 9:30 o'clock and another at midnight. This was necessary in order to accommodate the large number who patronized the excursion. All who participated had a pleasant outing.

STATE FIREMEN'S CONVENTION.

The wharf of the Norfolk and Washington Steamboat Company was crowded between 6:30 and 7:30 o'clock yesterday afternoon by friends and acquaintances of the firemen of this city who had gathered to see them leave on the steamer Newport News. The Alexandria firemen will attend the State Firemen's Convention which met at Hampton today. About twenty members of the Reliance Fire Company and a delegation from the Columbia Company left on the steamer, together with other representatives of the Alexandria fire department. A delegation of 25 Strasburg firemen and 23 from Woodstock were also passengers on the steamer.

OPERA HOUSE.

Notwithstanding the fact that the great majority of the city's pleasure seekers took advantage of the excursion of the "Finest" yesterday and last night, and though the streets seemed deserted, the Opera House was well filled and those who went there manifested their approval of the first class show by applauding every act. This is, without doubt, the best vaudeville seen at this house and if the management keeps on furnishing entertainment of this class there will be no trouble about filling the house at each performance. After tonight there will be a change of programme. The pictures are changed every night.

FINED FOR UNLAWFUL GUNNING.

Robert Johnson and F. E. Wasson, who had been arrested by Game Warden Payne on the charge of unlawful gunning and ranging in Fairfax county, were brought before Justice Wright at New Alexandria this morning. They were fined \$1 and in addition \$2.50 costs. The justice imposed a minimum fine for the reason that this was the first offense on the part of the two men.

BUT ONE BID.

But one bid was received today at the city engineer's office for the work of grading, curbing and making walkways and driveways on the lot of Lee school building on upper Prince street. The bid was for \$2,300 and was made by Mr. R. A. Wallace, but the school board committee and the city engineer believe that Mr. Wallace bid for more work than planned and have the matter under consideration.

PREPARING FOR THE BAZAR.

A meeting of ladies who will participate in the autumn bazar for the benefit of Seminoles Tribe, No. 35, I. O. R. M. was held last night. Members of Seminoles Tribe and others were also present at the meeting. It is probable that the bazar will be held in Armory Hall instead of Odd Fellows' Hall, and one of the attractive features will be an Indian village.

FORFEITED THEIR COLLATERAL.

Their were but two cases on the docket of the Police Court this morning. A. J. Maxwell and William Tolson were arrested yesterday by Officers Roland and Nicholson for drunken and disorderly conduct on the street. They each left \$5 collateral for their appearance this morning, but neither could be found when their cases were called.

The Red Cross Shoes for tender feet.

The ladies who wear the Red Cross Shoes always wear a smile. Sold only by J. A. Marshall & Co., 422 King street.

PERSONAL.

Mrs. Charles E. Stuart is visiting friends in this city. Miss Battle Allen is visiting Mrs. Smith, at Pine Top, Orange county. Miss Alberta V. Saxon has returned from a visit to Byds, Md. Mr. and Mrs. Philip B. Peyton have gone to Astory Park, Long Branch N. J., for ten days. Miss Lottie Crupper, who has been suffering from typhoid fever at her home on West street, is convalescing. Mr. E. L. Payne and his nephew, Clarence Payne, have gone to Keswick to spend a week or ten days. Mr. Robert Travers continues seriously ill at his home on north Pitt street. Mr. Maury Gaines has returned from a ten day's trip to Atlantic City. Mrs. Herman Friedlander and son, Alvin, have gone to Altoona, Pa., to spend a few weeks.

LETTER FROM PINES.

Richard Pines, one of the three colored men who was taken to Richmond penitentiary last week where with his companions he is to be electrocuted in October for participation in the murder of Walter F. Schultz, has written a letter to City Sergeant Cox thanking him for the kindness shown while the condemned man was in the jail in this city. Pines in his letter says he hopes the time will come when the people of Alexandria will ascertain who was the real murderer of Schultz. He still claims he is innocent of playing any part in that crime.

AWAITING OWNERS.

Officer Gill last night gathered sundry articles which had been left at Marshall Hall and on the steamer Charles Macalester. A boy's coat, a cat, a pair of shoes, a baby's cap, a pair of scissors and several spoons comprise the lot, and they are now at the station awaiting the appearance of the owners.

"The Woman's Home Companion" for September, which has been received from its publishers in New York, is the "big fall fashion number," over twenty pages being devoted to the fall styles. Kate Douglas Wiggin, Octave Thanet, Katherine Brown and other well known writers contribute excellent fiction. In the "Household" are many practical suggestions as there are in the various "special articles." Among the "Special Articles" may be mentioned "Home Problems," "The Future of the Children," "New Books Worth While," "How to Grow Small Fruits," etc. Art and music are represented in this number and the younger readers are not forgotten.

Disastrous Fire in Russia.
Odessa Aug. 25.—The fire in Kremenchuk, which was thought to be under control after having burned for four days, broke out again today and threatens to destroy the remaining portion of the city. One-third of the town, which has a population of 60,000, has been destroyed. The loss is estimated at \$150,000,000.

ARLINGTON BREWING CO.,
aug25 34 ARK KING, Secretary.

J. B. WATKINS.

LOCAL BREVITIES.

The fire plug at the corner of Fairfax and Franklin streets has been removed and a new one will be put in its place. George T., the infant son of Mr. and Mrs. Charles A. Daffey, died at his parents' home, 1916 Duke street, last night. Mr. W. P. Graves has sold to Mrs. Elizabeth Sisson a house and lot on the east side of Fairfax street, between Franklin and Jefferson.

The Methodist Protestant Church will give a lawn party and festival in the Sunday school room and on the lawn back of the church tonight, tomorrow night and Friday night. Two small boys became involved in a difficulty on Wilkes street, near Royal, yesterday, and one struck the other on the head with a brick. The injured boy was taken to the Alexandria Hospital for treatment. Fitzgerald Council, Knights of Columbus, will meet tonight at St. Mary's Hall, when a recorder will be chosen. A social session will be held at the close of the meeting.

Price and Cook will have for sale in market tomorrow and Friday sturgeon, salt water turkeys, butterfish, trout and catfish. Mr. Martin Quinn, one of Alexandria's popular restaurateurs, will give his patrons and friends a crab feast at his restaurant, on north St. Asaph street, tonight. Mr. Quinn received four barrels of the crustaceans from Norfolk this morning and they were pronounced fine.

A pollywog once said to a lollypop: "Thy hour has come, prepare thyself for eternity," and with that the pollywog gobbles up the lollypop. But in going down the lollypop turned a handspinning and became wedged in the pollywog's throat, and as the pollywog couldn't breathe thru the lollypop there wasn't anything else for him to do but lay down and croak, while Mr. Lollypop lived to a long and happy life. The moral of this is simple enough. It means that if you want to enjoy life, the balance of your life, you should generally go through the province of Siam, the delicious Auth Products. It pays to be particular. Sylvan Blondheim, The Auth Stand, City Market.

Earthquake in Italy.
Siena, Italy, Aug. 25.—Troops were sent out from Siena today to investigate the damage done by a severe earthquake last night. The earthquake is believed to have extended generally throughout the province of Siena, telegraph and telephone communication is interrupted, and it is impossible to learn the extent of the damage. Delayed messages were received this afternoon from San Lorenzo, Fiumicino, Monteroni and several other small towns to the effect that heavy damage has been inflicted. Many persons were injured but there was no report of deaths in these places. One man is reported killed at Buonconvento.

This city was rocked slightly, but aside from the frightening of the people and cracking of a number of walls, no damage was done here. The worst damage is believed to be at San Lorenzo, where a number of houses were destroyed. The earthquake was felt in several towns.

The only store where Regal shoes can be had outside of their agency. John A. Marshall & Bro. 422 King street.
